*If you were the Mona Lisa
You'd be hanging in the Louvre
Everyone would come to see you
It would be impossible to move
It seems to me as if you are
A rare and precious work of art
Stay behind you've got ropes
But I will not remove you from here*

Pieces

*From the moment I first saw you
All the darkness turned to light
An impressionist painting
Tiny particles of light
It seem to me is what you're like
The "look but please don't touch me" type
And honestly it can't be fun
To always be the chameleon*

Un ángel cayó
